

### 3.2. Road Closures

Forster Main Beach precinct will be closed from the island north, essentially closing the North Street eastbound lane (between West Street and Beach Street), with appropriate signage and devices in place by 1600 Saturday 17<sup>th</sup> August. During this period of time North Street traffic (between West Street and Beach Street) will be contra flowed to oppose each other (i.e. 2 lane 2 way) along the existing westbound lane. Refer to *Appendix 4 Forster Running Festival TGS 4* for details.

Installation of all other traffic control signage and devices will be implemented from 0400 Sunday 18<sup>th</sup> August to ensure all TGS's are implemented in time for the commencement of the first race at 0700. Resident and business access will be maintained at all times, or alternative arrangements provided for during the event.

The majority of the road network utilised by the event will remain relatively unaffected other than a few locations where traffic access will need to be restricted to ensure the safety of competitors. \The only temporary road closures are as follows:

- North Street (Forster Beach Precinct) – Will be partially closed between Beach and West Streets. A contraflow will be in place for local resident access.
- Oyster Parade - There will be intermittent access from Reserve Road to the Caravan Park
- Beach Street – Will be closed at Oyster Parade
- West Street – No Left turn into North Street
- Memorial Drive - Closed between Head Street and Blows Lane
- Forster Breakwall Boat Ramp – There will be intermittent access.

There will also be several carpark affected. The following carpark will have temporary closure's as per corresponding TGSs, included in the Appendices.
